Consul-General for Netherlands,

Shanghai.

Sir,

I have the honour to refer to your letter No. 3549 of November 29 and to state that the International Intelligence Service, 1342 North Szechuen Road, was established in October 1933. It consists of an advertising agency, news agency and private detective bureau, and there is nothing unfavourable known about it.

The principal director of the International Intelligence Service is named Wu Ping Yat (伍平一) alias Wu Sung Yu (伍隆宇). He is a lawyer by profession and in October 1933 was suspended from membership of the Chinese Bar Association for a year in connection with irregularities concerning certain funds which he had received on behalf of one of his clients. Wu Ping Yat is a native of Kwangtung and was educated in Japan. He was formerly the General Director of the International Event, a service bureau similar to the International Intelligence Service which closed down in 1929.

The member of the staff of the International Intelligence Service next in importance to Wu Ping Yat alias Wu Sung Yu is named Theodore Haito Kwan (閻海壽). B.A. He was born in Hongkong of Cantonese parents, and

was educated at the Shanghai University. He was employed for a period about 1932 in the Finger Print Bureau of the S.M.P. He is registered as a British subject.

I have the honour to be,

Sir,

Your most obedient servant,

Commissioner of Police.

With reference to the Netherlands Consul-General's enquiry as to whether anything unfavourable is known regarding the International Intelligence Service or its management, I have to report as follows :-

The International Intelligence Service, 1342 North Szechuen Road, was established in October 1933 and is a combination of an advertising agency, home and abroad news agency and a private detective bureau. It is understood that the organization will be registered with the British Consulate. Its management consists of :-

- 1) Wu Ping Yat (伍平一), alias Wu Sung Yu (伍澄宇), the general director. He is a Cantonese and was educated in Japan. In 1928 he was the general director of the International Event, a service bureau similar in character to the International Intelligence Service, and which voluntarily closed down in 1929. He is a qualified lawyer but was suspended during October, 1933 by the Chinese Bar Association for a period of one year. The reasons for the suspension are that Mr. Yat is alleged to have misappropriated certain funds recovered on behalf of a female claimant without recourse to court action. Claimant subsequently instituted a law suit against Mr. Yat with the result that he was suspended in accordance with the rules of the Chinese Bar Association. It is understood that judgement on the law suit has not yet been given.
- 2) Theodore Haito Kwan, B.A. (關海濤), an assistant director. He was born at Hongkong of Cantonese descent and is a registered British subject. Received his

education at the Shanghai University. Was employed in the S.M.P. Finger Print Bureau during 1932 and resigned from the office.

- 3) Wahung Lo (勞偉雄), female, Cantonese, is an assistant director and was educated in Honolulu.

The only unfavourable aspect known to us regarding the subject organization is the impeachment against Mr. Yat referred to above.
